

Accessibility Plan 2019/2020

Rationale

The Equality Act 2010 replaces previous discrimination law and provides a single piece of legislation covering all the types of discrimination that are unlawful. Schools and Local Authorities have to carry out accessibility planning for disabled Students. The duties are the same as those in the previous Disability Discrimination legislation and have been replicated in the new Act. The approach of the school to meet the provisions of the Equality Act 2010 is set out fully in the Single Equality Policy. The definition of disability under the law is a wide one. A disabled person, as defined under the Equality Act 2010, is someone who has a physical or mental impairment that has a substantial and long-term negative effect to do normal daily activities. If a person has been disabled in the past they are still covered by the legislation for the rest of their life.

Aims of Saxon Way Primary School Accessibility Plan

The school plans, over time to increase the accessibility of provision for all students, staff and visitors to the school. The main priorities in the school's plan will be in the following areas:

1. Improving the physical environment of the school to increase the extent to which disabled students can take advantage of educational opportunities.
2. Increasing the extent to which disabled students can participate in every aspect of the school Curriculum.
3. Improving the communication to disabled students, staff, parents and visitors of information that is provided in writing and verbally for students and adults.

Action	Impact	Next Steps	Accountable
